

Morphology Practice: How to Use It

You can access the practice here from any browser, on your computer or phone:

https://william12995.github.io/ling-intro-practice/ch01_morphology/

There are 39 questions in 7 sections. The questions start with basic exercises and gradually become more challenging, with the last sections using data from Hebrew, Turkish, and Haitian Creole.

Getting started

Enter your student ID (one letter followed by 8 digits, e.g. B13012345) and your name, then click **Start**. Please use your real student ID, since your answers will be recorded under it.
